

MISSING CHILD

Endangered Runaway

Dakota Lee Roper

Age: 14 DOB: 06/22/1993

Sex: Male

Race: Biracial

Hair: Brown Eyes: Green

Height: 5' 6"

Weight: 110

Missing From: Rolla, Missouri

Missing Since: 04-09-2008

Details: Dakota Roper was last seen around midnight on April 9, 2008, in his bedroom at his family's home on Highway 72, just east of Rolla, Mo. When the family awoke later that morning, Dakota was gone. Dakota did not take any belongings or money with him, nor did he take a cell phone. It is unknown what he was wearing or if he left with a companion.

His possible direction of travel may be to visit a brother in the Osage Beach, Mo., area, or to visit a girlfriend in the Meredosia, Il., area.

Dakota is on several medications for varying physical ailments, but he did not take these medications with him.

Dakota was recently adopted by his foster parents, David and Stephanie Roper, and was recently released from a treatment center in Missouri.
